

Home Practice Guide November- Trombone

Name _____ School _____

Due the Week of December 2nd

Instructions for Home Practice Guide Completion: Each week, your child’s practice should have a specific focus. We are providing you with practice goals and objectives for each week of the month. In most cases, your child will receive instruction on the material prior to playing the material at home. Each week, he/she needs to practice the assigned material repeatedly. Once your child feels prepared to play the assigned piece(s) for you, he/she will give you a short concert and/or explanation of the material. Once the concert is completed, please sign the appropriate week’s box. **DO NOT SIGN THE WEEK IF YOU HAVE NOT HEARD YOUR CHILD PLAY THE SONGS LISTED!**

Instrucciones para completar la guía de práctica en el hogar: Cada semana, la práctica de su hijo debe tener un enfoque específico. Le proporcionamos metas y objetivos de práctica para cada semana del mes. En la mayoría de los casos, su hijo recibirá instrucción sobre el material antes de reproducirlo en casa. Cada semana, necesita practicar repetidamente el material asignado. Una vez que su hijo se sienta preparado para tocar la(s) pieza(s) asignada(s) para usted, le dará un breve concierto y/o una explicación del material. Una vez finalizado el concierto, firme la casilla de la semana correspondiente. **¡NO FIRME LA SEMANA SI NO HA ESCUCHADO A SU HIJO TOCAR LAS CANCIONES ENUMERADAS!**

Due the Week of December 2nd

Home Practice Guide November- Trombone

Posture & Embouchure Guide for Parents:

Posture:

- Student's back is straight as a board and is not touching the back of the chair.
- Both feet are flat on the floor.

Playing Position:

- Left thumb placed around the bell brace. The other fingers of the left hand are placed around the first slide brace. Left index finger placed on or near the mouthpiece.
- Right hand holds the bottom of the slide brace with the thumb, index, and middle fingers.
- Right wrist should be flexible.
- Elbows are away from the body.

Trombone Embouchure Steps for Students:

- Shape the inside of your mouth as if saying "oh". Bring your lips together as if saying "em".
- Lips should have firm corners but a relaxed center. Chin should be flat and pointed.
- Mouthpiece should rest on the lip[s] with equal amounts of the mouthpiece on the upper and lower lips.

Trombone Checklist

- Sitting up straight
- Left hand and wrist position correct
- Right hand and wrist position correct
- Head erect
- Fingers gently curved
- Elbows away from body
- Mouthpiece on equal parts of the upper and lower lip
- Corners of the lips firm and center relaxed
- Chin flat and pointed
- No puffing of cheeks
