**Instructions for Home Practice Guide Completion:** Each week, your child's practice should have a specific focus. We are providing you with practice goals and objectives for each week of the month. In most cases, your child will receive instruction on the material prior to playing the material at home. Each week, he/she needs to practice the assigned material repeatedly. Once your child feels prepared to play the assigned piece(s) for you, he/she will give you a short concert and/or explanation of the material. Once the concert is completed, please sign the appropriate week's box.
